**BEACH**

The beach is officially closed but there is still plenty going on there! The Concession will be open on weekends through Sept. for breakfast and lunch. On Sept. 22, at the new beach arts pavilion, the Sea Cliff Silly Shakespeare Company, in conjunction with the Civic Association, will present its version of Julius Caesar, with a Monty Python Flying Circus twist. The performance begins at 6 p.m. and everyone is invited to bring blankets and chairs for a great evening of theater.

I’d like to congratulate the Friends of Sea Cliff Beach for an extraordinarily successful Kayak Race/Family Fun Day on Sat., 9/2. It was one of those wonderful community events enjoyed by residents of all ages and it happened because of the hard work of so many volunteers. Volunteers were also responsible

for the Annual Arts and Groove evening that started an hour after the Family Fun day ended at 5. Music was by Tidal Groove.

The Sea Cliff Arts Council, headed by Kathleen DiResta, raised money to support the arts by celebrating local artists and musicians. Sept. 2 was truly a glorious day at Sea Cliff beach. The Arts Council is an energetic group and you can keep up with their events by reading the biweekly Sea Cliff Circle notices. To join the Sea Cliff Circle, go to the Village website.

If YOU are looking for an opportunity to volunteer, you can join other Sea Cliffians at the Annual International Coast Cleanup at the beach which will take place on Sat., 9/29 from 9:30 – 11:30. Not only does this event give the beach a final good cleaning before the real fall weather kicks in, it also documents the waste and traces it to its source so that government and community groups can address issues of water pollution.

### SENIOR SERVICES

The new Senior bus is scheduled to arrive sometime in October.

### MUSEUM

The Museum will not be open this month due to extensive renovations. We will keep you posted.

### Trustee Hayes

During the month of August 2012, the Department of Public Works disposed of the following MSW:

- 246.28 tons of MSW
- 22.32 tons of Commingled Cans & Glass
- 18.13 tons of Newspaper & Cardboard
- 24.32 tons of C& D
- 3.76 tons of metal
- 30 yards of yard waste
- 15 yards of concrete/asphalt

For the month of August 14.1 % of the waste stream was recycled; this is down 0.5% as compared to the previous month.

Roadwork by the County continues on Prospect and Glen Avenues. Part of Glen has been paved and now the County is repairing a large drain on Glen that failed in several spots. As a result this project is experiencing a short delay. The County still expects to finish the paving as soon as the drain is repaired.

### Trustee Powell

The HHPC met on Sept. 5<sup>th</sup> regarding Scudder Pond Project. We are awaiting permits from NYSDEC to start dredging. There was a recent meeting with HHPC, consultant and DEC at the site. All DEC concerns were addressed. If DEC issues permit, soon we can request bids and the project can begin in the fall.
